### Program at a Glance

<b>What are the current technologies being utilized by the grantee?</b>			
Netbooks are distributed to clients to be used during treatment. Limited e-therapy has been used in delivery of recovery services to clients.			
<b>Are there any notable changes this reporting period?</b>			
No notable changes were made to this reporting period.			
<b>What are the grantee's GPRA rates?</b>			
	<b>Target</b>	<b>Actual</b>	<b>Percent</b>
Intakes (Baseline)	400	208	52.0%
6-Month Followup	170	69	40.6%
<b>If intake or followup is below 80 percent, has the grantee described its plan to increase GPRA rates?</b>			
<p>The program tried increasing enrollment through distribution of Netbooks but this method was ineffective. Due to continuing staffing issues, the program was negatively impacted. The follow-up rate was low due to client unresponsiveness and inaccurate contact information.</p> <p>No new approaches have been introduced to increase enrollment or follow-up.</p>			
<b>Does the grantee need technical assistance? If yes, does the grantee have a request in SAIS?</b>			
The grant ended September 30, 2014.			
<b>Are there any areas of concern in the report that require GPO attention?</b>			
There are significant issues with the progress of this grant; however, the grant has ended as of September 30, 2014.
