KEY STAFF CHANGES

Forest County Potawatomi Community
TCE - Health IT Continuation Application (#TI - 023832)

At this time, the Forest County Potawatomi Health and Wellness Center (FCPHWC) does not anticipate making any changes to the key staff positions, position titles, or job responsibilities included in this grant budget. Not all of the proposed/budgeted positions are currently filled. FCPHWC experienced multiple challenges in seeking and maintaining qualified candidates for these positions. These challenges include:

- Difficulty in recruiting positions
- Lack of office space

The Family Mental Health Nurse Practitioner position was filled in September 2012; however, she recently resigned. The focus of this position is to provide additional support for individuals with co-occurring mental health issues. We are currently evaluating community needs in regards to counselors.

If FCPHWC's response to these needs requires a change to key staff budgeted for this grant, SAMHSA will be notified immediately and a request for approval of these changes will be submitted in accordance with grant guidelines.
